

## BCM Power Supply, Grounding, Data Line

| Harness connector | Name                                            | Pages |
|-------------------|-------------------------------------------------|-------|
| C01               | Rear Connector of Indoor Fuse Box               | 17    |
| IP05              | To harness connector of indoor fuse & relay box | 80    |
| IP08              | To engine compartment harness connector         | 80    |
| IP27              | Harness connector of body control module 3      | 80    |
| IP28              | Harness connector of body control module 2      | 80    |
| IP29              | Harness connector of body control module 1      | 80    |
| CA03              | To harness connector of instrument harness 3    | 22    |
| G6                | Instrument panel grounding                      | 125   |
| G8                | Instrument panel grounding                      | 125   |

| Connection point | Descriptions | Pages                                            |
|------------------|--------------|--------------------------------------------------|
| IP29-30          | CAN H        | 550/552/554<br>556/558/560<br>561/563/565<br>567 |
| IP29-40          | CAN L        | 550/552/554<br>556/558/560<br>561/563/565<br>567 |
